

HOUSING CHOICE **Overview**

AHA's Housing Choice Voucher Program (HCVP) offers families including elderly and disabled persons and working families, the greatest mobility and broader range of choice in selecting where they live. Using a HCVP voucher, families can identify quality housing anywhere in the city of Atlanta with the assurance that they will not have to pay more than 30 percent of their adjusted income towards their rent. Families may also use their Housing Choice voucher to move outside the city limits of Atlanta after their first year on the program.

Property owners/landlords of single family homes and multifamily condominiums and apartments manage the properties and enter into landlord/tenant relationships with the families.

AHA's Housing Choice Voucher Program is administered by AHA's Customer Services Group.
