Quality Housing and Work Responsibility Act (QHWRA) records. -- 1998-2003. -- 1.00 Cubic feet (2 boxes)

Scope and Content

The collection consists of records of the QHWRA (Quality Housing and Work Responsibility Act) of 1998 including Five-Year and Annual Plans, presentations, and Advisory Board meeting minutes.

HISTORICAL NOTE:

The QHWRA (Quality Housing and Work Responsibility Act) of 1998 (Title V of Pub.L. 105-276, 112 Stat. 2518) approved by Congress October 21, 1998, was part of the Fiscal Year 1999 HUD Appropriations Act. The Act made extensive amendments to the United States Housing Act of 1937, which governed HUD's public housing agency (PHA) administered Section 8 assistance programs. The Quality Housing and Work Responsibility Act (QHWRA) of 1998 created the public housing agency Five-Year and Annual Plan requirement.

The Five-Year Plan describes the mission of the agency and the agency's long-range goals and objectives for achieving its mission over a five-year period, and their approach to managing programs and providing services for the upcoming year. The PHA Plan also serves as the annual application for grants to support improvements to public housing buildings (Capital Fund Program) and safety in public housing (Public Housing Drug Elimination Program). QHWRA provided more flexibility and discretion for PHAs to use funding to address the needs of low-income families. Atlanta Housing established a QHWRA Task Force to study and analyze the effect of this legislation on its operations and management.
