*Scope and Content*

Formerly titled "The Residents Viewpoint" by residents, this publication included contributions from residents living in all of the Atlanta Housing Authority's low-income housing communities. A monthly publication, the first issue was published in March of 1972. On June 16, 1976, the Atlanta's Advisory Council on Public Housing (ACPH) and the city-wide organization of presidents of the local-project Residents associations voted to change the title from the Residents Viewpoint to the "Tenant News".
