Englewood Manor records. -- 1972-2017 and undated. -- 0.25 Cubic feet (1 box)

Scope and Content

The collection consists of project records, tenant association records, publications, and photographs of Englewood Manor.

HISTORICAL NOTE:

The former Englewood Manor site was part of the Low Rent Housing Program located at 1271 Gault St., SE. Construction for Englewood Manor was completed August 16, 1971. During the 1970s, Englewood was one of the many southeastern Atlanta neighborhood areas that experienced "white flight." This housing project was located in District 1 and contained 324 units on 21.9 acres approximately 10 blocks from the federal penitentiary. Grocery stores were nearly 2 1/2 miles south, with a smaller grocer located at the outskirts of the penitentiary. Residents eagerly awaited the daily arrival of "Pop's Store" an old rusted school bus that doubled as a convenience store. Englewood Manor became notorious for street gangs, drugs, and crime. It was demolished in 2009.
