

Program Description & Guidelines

The James Allen Community Scholars Award (JACSA) is an initiative of Atlanta Housing (AH); and the United Negro College Fund (UNCF) is the program's fiscal agent. As one of the nation's oldest and most successful education assistance organizations, UNCF is committed to increasing opportunities for minority students, and AH strongly encourages lifelong learning as an integral component of its vision of building vibrant communities and encouraging individual self-sufficiency.

The purpose of JACSA is to provide scholarships to eligible AH-assisted individuals in support of their post-secondary education options. Scholarships will be awarded without regard to race, religion, sex, color, national origin, disability, or familial status. All candidates for the scholarship must participate in the AH scholarship application process and meet established eligibility criteria.
