### TO ALL PROSPECTIVE BIDDERS, PLEASE NOTE THE FOLLOWING CHANGES AND CLARIFICATIONS:

#### **QUESTIONS AND ANSWERS**

1. Please provide currently valued claims information for the coverages considered as part of RFP-2024-0115.

**Answer:** Detailed claims information since 2018 is attached.

2. What has been your approach to determining the deductible levels you assume, and the insurance limits you buy?

<u>Answer:</u> Our approach has primarily been based on an in-depth review of our loss history by line of risk. Cyber and property have been the focus in recent years, but every policy is reviewed multiple times annually to ensure coverages continue to meet AH's needs.

## ADDENDUM #1 Request for Proposals #2024-0115 Insurance Broker and Related Services

- 3. Please describe the services that are part of the Claims Consulting & Management line item illustrated on your insurance coverage summary document made part of your RFP.
  - <u>Answer:</u> The services relate to assistance with purchasing insurances coverage in the commercial market. AH also needs assistance with issuance of COI's, auto insurance cards for our fleet and other related matters. Also note that TPA services for claims management, if offered by your firm, could also be considered as part of this RFP.
- 4. Please provide a brief description of the Civic Center and its future plans. In particular, the insurance summary shows \$46 million in total insurable value but only a \$10 million loss limit. Why the difference?

<u>Answer:</u> The Civic Center is currently vacant and has been for the last several years. However, we have now moved into the initial phases of redevelopment and further details can be found by clicking the below link:

At long last, Atlanta Civic Center redo gears up to break ground | Urbanize Atlanta

**5.** Please provide an updated roster of insurance policies

Answer: . Please see the current insurance coverage summary attached.

6. Based on the coverage summary that we were provided, it appears that all policies have an 8/1/24 effective date, including General Liability, Automobile Liability, and Auto Physical Damage; however, the RFP states that you are not looking for coverage on those items at this time. Can you please elaborate why those coverages are not included in this RFP?

Answer: Section 1.2 Solicitation Purpose of the Scope is changed from Please note that AH is not seeking insurance for General Liability, Automobile Liability, or Automobile Physical Damage to Please note that AH will continue to carry insurance for General Liability, Automobile Liability, or Automobile Physical Damage.

- 2. The coverage summary shows Fiduciary Liability limits, retentions and premium, and that policy appears to include Employed Lawyers and Crime coverage based on the exposures shown; however, based on the program chart, it appears the E&O and EPLI should be on a separate policy. Can you please provide coverage and premium details for those lines of coverage? **Our E&O and EPLI coverage fall under the Public Officials liability policy located on page 2 of the Insurance coverage summary.**
- 3. Can you please provide the following items:
- a. Location Schedule/Statement of Values: Our current SOV is attached.
- b. Most recent renewal applications for all applicable lines of coverage: AH is not at liberty to provide this information for the RFP, however, an Insurance coverage summary is attached.
- c. Payroll data payroll details by class code: AH is not at liberty to provide this for the RFP as it contains highly sensitive information. However, the total payroll figure for 2023 was \$23,047,043.67 and the class code for our organization is 9033.
- d. Copies of current policies: AH is not at liberty to provide this information for the RFP, however, the Insurance coverage summary is attached.

<u>Answer:</u> AH is not at liberty to provide carrier information for the RFP, however, the current Insurance coverage summary is attached.

**8.** What is your claim performance for property?
